**Curriculum you can trust.**  
**Growth you can measure.**  
**Results that last forever.**

**Strong Curriculum® builds stronger churches through teaching all Scripture to produce spiritually mature believers who measure up to the stature of Christ.**

Spiritual maturity isn't an abstract, unmeasurable idea. In fact, measuring spiritual growth is a Biblical concept. Ephesians 4:13 instructs us to grow spiritually into "the measure of the stature of the fullness of Christ." The measuring stick is Christlikeness.

Strong Curriculum follows the seven teaching aims leading to Christlikeness and uses the robust measuring tools laid out in *Strong Church: Building and Measuring Mature Disciples* (p. 15).

Throughout this catalog you will find icons indicating the aims in which you should primarily see measurable growth for that quarter. Each teacher guide contains these icons along with some measuring sticks to help you effectively teach and achieve measurable results. The take-home papers and other resources include ways for parents to both gauge and encourage their child's spiritual growth.

Successful businesses today have means of measuring the growth of their products and their companies overall. We can do no less in our most important "business" of helping students reach "the measure of the stature of the fullness of Christ."

# GOD IS INTENT ON GROUNDING YOU AND GROWING YOU IN GRACE.
