Curriculum you can trust.

Growth you can measure.

Results that last forever.

Strong Curriculum® builds stronger churches through teaching all Scripture to produce spiritually mature believers who measure up to the stature of Christ.

Spiritual maturity isn't an abstract, unmeasurable idea. In fact, measuring spiritual growth is a Biblical concept. Ephesians 4:13 instructs us to grow spiritually into "the measure of the stature of the fullness of Christ." The measuring stick is Christlikeness.

Strong Curriculum follows the seven teaching aims leading to Christlikeness and uses the robust measuring tools laid out in *Strong Church: Building and Measuring Mature Disciples* (p. 15).

Throughout this catalog you will find icons indicating the aims in which you should primarily see measurable growth for that quarter. Each teacher guide contains these icons along with some measuring sticks to help you effectively teach and achieve measurable results. The take-home papers and other resources include ways for parents to both gauge and encourage their child's spiritual growth.

Successful businesses today have means of measuring the growth of their products and their companies overall. We can do no less in our most important "business" of helping students reach "the measure of the stature of the fullness of Christ."

Apologetics: Answers to Honest Questions

Believers and unbelievers alike have honest questions about God, Jesus, the Bible, salvation, the existence of evil, and origins. This course provides answers to those questions. Students will strengthen both their faith and their ability to defend their faith.

Salt Shaker: Sharing My Faith (Evangelism & Missions)

God calls all believers to share their faith with the lost. He expects believers to live out their hope in Christ, to be prepared to share their faith in Christ, and to be willing to take the gospel around the world. This course challenges students to be active in evangelism now and to be open to full-time missions in the future.

Kingdom Come: Recovery from Royal Ruin

This course traces Christ's promised kingship through the Bible, beginning with God's design to have Adam and Eve subdue the earth and ending with Christ's millennial Kingdom and eternal rule. The course gives students context for their lives and challenges them to live for Christ, the coming King.

God's Message: Trust It. Treasure It. (Bibliology)

Answer foundational questions about the Bible: What is the Bible? How did it come to be? Is it trustworthy? And what is the Bible about? As your students study about the Bible, they will develop convictions about its trustworthiness and realize its transformational effects on their lives.

Unmasked: The Truth about False Religions

The Bible warns about false teachings and emphasizes our need to learn sound doctrine. This course reviews core Bible doctrines and compares them to the belief systems of current false religions and cults. The study emphasizes that Jesus is the only way to God.

Strong Adults

A New Adult Curriculum Plan You Can Trust

Participants in our adult curriculum, whether in Sunday School classes or small groups, have come to trust RBP's comprehensive curriculum plan. This plan, often called a scope and sequence, has ensured a strong curriculum that teaches the entire counsel of God. Earlier this year, we introduced a new elective curriculum plan that maintains our commitment to teach the entire counsel of God while offering even greater flexibility.

New Elective Curriculum Plan: After a thorough review of our adult curriculum strategy, we are making a strategic shift to better meet the diverse needs of ministries like yours. RBP has transitioned to an elective curriculum plan for adults. Each quarter, an existing course will be highlighted (see page 13),

while churches will have the flexibility to choose from a wide range of titles instead of following a strict quarterly release schedule. This change aligns with the preference for a more adaptable plan.

Ongoing Updates: While we will no longer follow a strict quarterly schedule, we will continue to introduce new courses periodically based on emerging needs and opportunities, ensuring they are timely and relevant.

Commitment to Quality: RBP remains dedicated to supporting your ministry with resources that are Biblically sound, engaging, and adaptable. This strategic shift reflects our commitment to listen to your needs and respond with thoughtful, effective solutions that help you build lives by the Book.

Adults • Electives

End-Time Faith: Paul's Encouragement to the Thessalonians

Paul's letters to the believers in Thessalonica gave them relief from anxiety caused by doctrinal confusion concerning the end times. He explained the coming of Christ at the Rapture and the resurrection of believers. His teaching encourages us to live in light of Christ's any-moment return, serving God faithfully.

Walking Wisely in a Foolish World (Proverbs)

Solomon wrote that fearing God is the beginning of wisdom. Proverbs is for those who respect God and desire to live for Him. Believers who study the book will find practical instructions for living in a foolish world. This course focuses on topics such as fearing God, purity, work, generosity, speech, honesty, and friendship.

Lyrics for Life (Selected Psalms)

Written as poetic songs, the psalms are valuable in their revelation of God and life. We can go to the book of Psalms to find encouragement as well as instruction and challenge. This course presents select psalms on subjects such as God's nature and provision, confession of sin, and praise to God.

Supreme: Putting Christ First (Colossians)

This course is a verse-by-verse study of the book of Colossians. The book emphasizes Christ's supremacy over the church and the believer's completeness in Christ. Both truths combat the error that Christ isn't enough. In Christ, believers are equipped to grow in the Lord and to serve Him well.

Humbled & Hopeful: Seeing God's Greatness, Trusting His Goodness (Job)

This study traces Job's response to his tragedy, his interaction with his "friends," his arguments before God, his humbling, and his restoration. Learners will be challenged to respect and fear God's greatness while trusting His goodness.

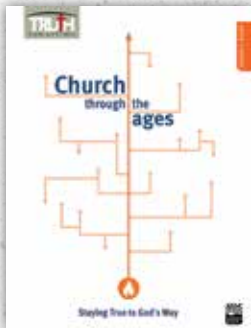

Joying Like Jesus (Philippians)

This study covers Paul's interaction with Philippi in Acts 16 and his letter to the Philippians. The course recognizes Paul's emphasis on thinking and acting like Jesus through the power of the Holy Spirit. Students will be challenged to adopt the mind of Christ so they might know His joy.
