Notes to the Teacher

1. Send the parent letter (page 3) home with the student on the first Sunday of the quarter or deliver it personally before the quarter begins. On the back of the parent letter is an overview of this quarter's lessons and a list of all the memory verses.
2. Make sure absent students receive the student book sheet and the Strong Kids at Home take-home paper. The take-home paper has a summary of the Bible account you covered in class.

Using the Handwork Sheets

This book is perforated so you can tear out the sheets. Each page includes directions for completing the activities.

On the front of each student book page is an activity that reviews the previous lesson. As students arrive to class, let them work on the activity until you are ready to begin the class. Make sure the students' names are on their papers before you collect them.

You will use the student book sheets again at the end of the lesson to review the lesson they just learned. As they work on the activity, discuss the Bible story or its application. Any students who don't complete the page in class can finish it at home.

Summer Quarter 2026

Thank you for bringing your child to Sunday School!

Exciting lessons await your child in this summer's Primary class. The class will learn about the church from the New Testament book of Acts. We will cover the coming of the Holy Spirit, the start of the first church, and exciting accounts of church leaders, including Peter, Stephen, Philip, and Paul. We will also study future events to discover the wonderful plans God has in store for believers.

Units 1 and 2 focus on serving God and others as part of Jesus' church. Your child will learn that the Holy Spirit helps believers do God's will and serve God well. Your child will also learn the importance of obeying Jesus' command to share the gospel with everyone.

Unit 3 covers future events, including the Rapture, Jesus' Second Coming, Jesus' Kingdom on earth, and Jesus' preparation of an eternal home for believers on a new earth. Jesus promised He would return one day. The lessons on future events will encourage your students to live in light of His return.

Talk with your child about the student book pages he or she brings home. Set aside time each week to help your child memorize the Bible memory verses listed on the back of this sheet. Your child will need to recite the current week's verse the following Sunday in class.

Encourage your child to read the Strong Kids at Home take-home paper and to complete the fun puzzles and activities. Read through the spiritual growth measurables to engage in your child's learning. Your child will learn a lot about serving this quarter, and we encourage you to find ways to let him or her serve God by serving others!

Please contact me if you have any questions about the class or about what your child will be learning. Thank you again for letting your child be part of the summer Primary Sunday School class!

Sincerely,

Primary Teacher
