Session 1 Application

A Part of Christ's Church

- 1** Jesus died on the cross, rose again, and returned to Heaven so He might send His Spirit and build His church. Every believer today is part of Jesus' church. We meet as believers to form a local church to worship and serve God together. Mark on the scale how important our church is to Christ. Then mark how important our church has been to you.

- 2** Draw three things or activities from your life that are not as important as being a part of Christ's church. Put an "X" by the ones you have treated as more important than church.

Three empty circles are arranged horizontally. The leftmost circle has a red outline, the middle circle has an orange outline, and the rightmost circle has a yellow outline. These circles are intended for drawing three things or activities from one's life that are not as important as being a part of Christ's church.

- 3** Record what you will do to match Jesus' enthusiasm for our local church. Consider what activities you might become less involved in to devote more time to Christ's church.
