Notes to the Teacher

1. Remove the letter to parents from the front of each student book and sign each letter. Distribute the letter to the parents of each child in your class on or before the first Sunday of the quarter.
2. Provide the memory verses for the quarter by giving your students a copy of the Memory Verse Booklet available from RBP.
3. To prepare for the quarter, consider tearing out all the student book pages and cutting around the stickers. Put all the lesson 1 sheets and stickers in a folder. Do the same for the remaining lessons.
4. If a child is absent, be sure to give that child the student book sheet (and any stickers or additional pieces) and take-home card the week following his or her absence.

Using the Student Book Sheets

This student book will help you review the Bible lessons. As the children work on their sheets, talk with them about the pictures. After printing a child's name on the paper, have that child repeat the Bible verse with you.

Welcome to our 2s & 3s Department!

We're looking forward to an exciting quarter of Bible teaching and learning! Strong Curriculum is built on seven aims Jesus had for His followers. This quarter's focus for 2s & 3s is on three of those BuildUP aims: Learn Doctrine, Develop Life Skills, and Uplift Others. Our goal is to develop your child's understanding in each of those areas as we cover Jesus' life and ministry.

Review with Your Child

The unit summaries for this quarter are on the back of this page. Read through them so you will understand what your child will be learning this quarter.

Your child's weekly student book sheets include suggestions for things you can do at home to reinforce your child's Bible lesson. Some sheets have action rhymes and songs. Rhyme and song are great ways to help your child remember Bible truths.

News for You

When Jesus walked on earth, He was a trustworthy friend Who did many amazing miracles. The miracles showed not only that He is the Son of God but also that He has compassion for people in need. He healed people who were blind, deaf, and disabled; He fed the hungry and befriended sinners who needed their sins forgiven. Jesus still cares for people today, and He still offers the gift of salvation to anyone who calls on Him (John 3:16). To find out more about the gospel, please contact me or someone from our church. We would be happy to share Jesus with you.

Sincerely,

2s & 3s Teacher

Jesus Cares for Us

Weeks 1–4

Jesus and His Friends

This unit begins with the stories of four friends who persevered to get a man to Jesus, and Mary and Martha, who showed hospitality to Jesus. Two more lessons focus on Jesus as a caring friend Who raised Lazarus from the dead and as a loving friend Who saved Zacchaeus, a sinner. Through these Bible friends, your child will learn that Jesus is carrying and that He loves him or her.

Weeks 5–9

Jesus and the Sick

The Bible stories for this unit focus on Jesus' miracles. The lessons tell of Jesus healing a blind man's eyes, a lady's back, a man's hand, and a deaf man's hearing and speech. Your child will realize that Jesus loves and cares for people and has the power to help them because He is God.

Weeks 10–13

Jesus and the Needy

Events in the life of Jesus cause us to give thanks. In lessons 10 and 11 we thank God for Jesus, our best friend, Who loves children and wants them to love Him. In the final lessons, Jesus thanks God for the food to feed a crowd of people and gives an example for children to follow in thanking God for supplying their needs.

Suggestions for Parents

Throughout this week, look for opportunities to reinforce the idea of how to help others. Comments such as the following will help you make this application.

“Thank you for helping me wipe the table. It is very helpful when you obey.”

“I’m glad to see that you’re sharing your toys with your friends. We show our friends we love them when we share.”

“Playing nicely with your brother is a kind and loving thing to do.”

“It is kind of you to pick up things that Grandma drops.”
